

# Jumpstart your website sales

Do you have a newly developed website? Would you like to increase your sales? Like a brick and mortar business, websites need marketing and sales promotion too. Let us help you increase your online sales revenue with one of our small business website marketing programs.

## **Introductory Package - website marketing consultation**

From \$247

- Review opportunities for an improved online presence to increase exposure and sales with one of our marketing experts.
- Includes a one page executive summary of items discussed, recommendations and next steps.

## **Premium Sales Program - online marketing strategy management**

From \$97 per month with a 12 month commitment, plus advertising costs.\*

From \$147 per month for a three month kick start campaign, plus advertising costs.\*

This package includes:

- A website review with recommendations for enhancement by a conference call or in-person consultation with one of our marketing experts (once per annual or seasonal commitment). Includes a one page executive summary with recommendations.
- Submitting your website to major search engines to increase its organic search results (not including upload costs).
- Development of an ongoing pay per click key word and phrase campaign based on your advertising budget.
- Creation of an ongoing presence for your organisation on Google Earth and Maps.
- Providing you with monthly pay per click reports.

**Our team is waiting to put your website to work!**
