The water cure

B.C.'s Painted Boat Resort takes the waterfront vacation to a new level. Kayak the wild shoreline, swim in a lake, or get sprayed by Chatterbox Falls in Princess Louisa Inlet—then kick back in the infinity pool. The villas overlook Gerrans Bay, right on the Sunshine Coast, which happens to log more sunny days than anywhere else in coastal B.C. Ride the ferry from Horseshoe Bay, 25 minutes north of Vancouver. From \$342 U.S. for a two-bedroom villa; paintedboat.com
